## Saturday, June 18-30

### Welcome to Hot Topics in Breast Cancer 2022

A free symposium for those affected by breast cancer. We bring together top oncologists, surgeons and healthcare professionals in the Chicagoland area to present the latest updates in the treatment of breast cancer.

### About Wellness House

Everything we do is to prepare and empower people to fully live life with cancer and beyond. Our experts, specialists and programs focus on the individual needs of people through every step of the cancer journey.

We use a psychosocial approach based on research, addressing the whole person - socially, emotionally, physically, spiritually and psychologically.

Call or visit our website for more information:
