Wellness House Partner Network

Because Wellness House envisions a community where all people affected by cancer thrive, we maintain robust relationships with healthcare and community-based partners throughout metro Chicago. For people not able to get to our main location in Hinsdale, this creates access to Wellness House programs closer to home.

When we are able to meet in-person, the partnership programs featured throughout this program guide take place at the partner sites listed below; while programming remains online, participants are welcome to join any programs.
